How Buddhism Became Chinese_For Further Study

The topics covered in these lectures appear only cursorily, if at all, in general studies, so here I have suggested some supplementary readings for those interested in delving more deeply. Some of the works cited are scholarly studies, but they are written for educated nonspecialists as well and can be read profitably by them.

Lecture One: Beyond the Hindu Kush: Alexander, the Silk Road, and the Indo-Greek States of Central Asia

Green, Peter, *Alexander of Macedon, 356–323 B.C.: A Historical Biography.* Berkeley, 1991.
